

RUNNERS GUIDE

SATURDAY 23RD AUGUST 2025 Strandhill, Co. Sligo

START TIME 2.30PM

Greetings From The Warriors Run Committee

Hello from all of us here in beautiful Strandhill

On behalf of the organisers of the 2025 Warriors Run, which will take place on **SATURDAY 23RD AUGUST 2025** at **2.30PM** in Strandhill, Co. Sligo, we are looking forward to welcoming you to the village and hope you will enjoy your visit with us be it your first or thirty ninth.

The countdown is on and the time is rapidly approaching when you will be joining 1200 other runners to take on the challenge that is The Warriors Run which is now in its 39th Year of being staged. This gruelling 15K challenge is a fantastic event and though the route is tough, you will get the chance to see some of Sligo's most spectacular views from Knocknarea.

Be it your first time to partake in this event or if you've done it before, previous participants have stated that the thrill of being a Warrior Runner is part of the whole package that makes the Run like no other race. You are not competing for points but the prestige of crossing that finish line and being able to say you "did The Warriors Run". If you are 1st across the line or 1001st, there is no feeling like being cheered home as you run down the Shore Road to the beachfront as the ever wonderful Spectators never fail to cheer every last runner home as they cross the finish line.

Inside this newsletter, we will be giving you some information regarding collecting your race pack, traffic and parking, events on the day and other services available to Warrior Runners which we hope will make your day go as smoothly as possible and help you get the most out of your visit to Strandhill.

We are delighted to have Core Timing on board again this year as the official registration management and event timing team. Their expertise and experience will enhance the race and you will have instant results as you cross the finish line.

We would also like to thank our main sponsors **Connolly Motors** and **The Strand Bar** and all our Local sponsors without their support and the support of the Strandhill Community, the race would not be possible. And of course a huge thanks to all our volunteers who are giving up their time to ensure you get where you need to go and are hydrated along the course.

We can't wait to see you on Saturday the 23rd, bring your family, bring your friends as we are going to have a great day filled with sport, music and fun.

T-Shirts Notice

Please note that if you have received your place by way of transfer, as T-Shirts are ordered in early June, the sizes on the original registrations cannot be changed. However if the size does not fit, come back to the National Surf Centre after the race and an alternative size may be available.

The Route

From the beachfront at Strandhill the race starts up along the Shore Road to the junction at St Patrick's RC Church and Spar Shop. It takes the uphill road to the right, which will bring it up Buenos Aires Drive to the top junction to the Top Road in Strandhill.

A 90-degree right will bring the race along the Top Road through Strandhill Village and then downhill into Culleenamore. It continues along the main road through Culleenduff before reaching the Glen Road junction.

The uphill climb now begins as the race goes up the steep Glen Road. At the small car park beyond the entrance to the Glen, the race takes a left onto private land and continues up the mountain along its ridge and onto the top approaching the Cairn from the South.

Once on top of Knocknarea, it turns left and runs around the base of the cairn in a clockwise direction and starts back down the mountain path onto the Tourist trail. Back through the mountain car park onto the Glen Road it turns left through Grange North and continues along this road until reaching the crossroads.

Taking a 90-degree left it continues along this road through Rathcarrick and starts back down to the main road via the High Brea and past St Anne's COI Church.

Back onto the main Sligo road it turns left for Strandhill and continues past the Petrol Station leading back into Strandhill Village.

At the roundabout, it keeps left up to the junction at Kellys Bar and back down Buenos Aires Drive. Its final leg is back along the Shore Road to the finish line at the Beachfront.

WARNING!

The Warriors Run is a physically challenging event and only those who have sufficiently trained for this event or who are experienced runners should take part. Persons with medical conditions should consult their Doctor/GP before taking part.

Event time limit is set at 2.5 hours.

The Broom Wagon will pick up stragglers after this time.

Go to www.warriorsrun.ie for maps and more information.

Tackling Knocknarea – What You Need To Know

You are about to tackle a 15k race that is classed as multi-terrained. It is the special 3 to 4 kilometers in the middle of the race that makes The Warriors Run unique. You will be running on tarmac, grass, heather, chippings, turf and rocks. Whilst the uphill section will be a challenge, equally the downhill stretch can be just as tough. In order to get 1100+ runners up and down the mountain safely, please be sure to heed the advice of any Stewards, Marshalls, Rescue Personnel, Gardai or Officials not only up and down the mountain but along the entire route.

Once you go off road onto the mountain route, there is a section of about 300 metres that traverses the lip of the mountain. Usually this is single file only and usually the majority of participants are at a walk. This is the most dangerous section of the route if impatience is allowed take over. Please take your time along this section and watch your footing. Whilst the majority of people want to make their best time possible, don't do it at the expense of others. The rest of the route has space to overtake slower runners so be patient and RESPECT your fellow athletes. Don't be a barger or a pusher or a tripper, lets ensure everyone gets up and down safely.

Along the top of the mountain to the wall, **keep to the right** of the markers at all times to prevent you, well falling off a cliff.

On your descent, use extreme caution as this is where most of the injuries occur each year. Remember even in the best of weather, underground streams and rainwater run off keeps sections of the mountain paths wet and slippery all year round. If you do take a tumble, alert a Steward, Mountain Rescue Team Member or ask another runner to fetch help. If you are injured, stay put until help arrives and please follow the advice of rescue/medical teams.

August weather is unpredictable but we have got hot sunny days before and whilst this is great for spectators, as a runner you'll need to drink plenty of liquids to avoid dehydration. There are 5 water stations along the route so please avail of these as often as you need.

We have Sligo Mountain Rescue, the Civil Defence and a Doctor on our support team this year along with over 160 volunteers to help out along the way. Follow their directions, follow the signage and we'll see you back at the beachfront after the race.

The corral is a cool down area for runners and walkers only to regain their bearings and legs so non-participants will NOT be allowed entry.
